

Questionnaire for Spinning Project (please complete it as far as possible)

Company: _____ **Country:** _____
Contact Person: _____
Phone: _____
Fax: _____
E-mail: _____

Roving Frame:

Manufacturer: _____
Type: _____
No. of machines: _____ m/c's
No. of spindles per machine: _____ spdls.
Auto doffing: Yes No

Spinning Frame:

Manufacturer: _____
Type: _____
No. of machines: _____ m/c's
No. of spindles per machine: _____ spdls.
Spindle gauge: _____ mm
Bobbin transport system: Yes No

Winding Machine:

Manufacturer: _____
Type: _____
No. of machines: _____ m/c's
No. of drums per machine: _____ drums
Linkage with Ringspinning Frame: Yes No

Twisting Machine:

Manufacturer: _____
Type: _____
No. of machines: _____ m/c's
No. of spindles per machine: _____ spdls.
Special Equipment like, for example, splicer, ... _____
Mill voltage / frequency _____ V _____ Hz

Please provide us with the following layouts/drawings with detailed measurements:

- layout of the spinning hall with machines
- cross-section drawing of the machines

Please mark/mention the lowest free room height and the position of the air-conditioning ducts and of the columns in the drawing.
